## Permission Form

### Nuclear Emergency Release Form

In the event of a nuclear emergency and evacuation, I hereby give the staff authorization to take my child to the designated evacuation area.

Child's name	Parent or Guardian Name	Date
--------------	-------------------------	------

\_\_\_\_\_ I give permission for our staff to give the KI tablet (Potassium Iodide) to my child in the event of a severe nuclear emergency. This tablet is an over the counter medication used to help to reduce the risk of thyroid cancer from exposure to radioactive iodine.

### Face book Release

We love to share what we do in the classroom and around the YMCA. We do have a face book page. By signing this you are giving your release for us to post your child's photo. We do not tag or give out names on face book.

### Local Field trips

We do like to get out in the community and take walks, trips to the parks and library. You are giving us permission to take your child out of the building.
